### YOUR SUCCESSFUL EVENTS

You, your office or association  
are organizing an event?  
Take no risk, call for a professional structure.

Global Health Support: the ideal partner,  
discreet and efficient.

### TESTIMONIALS

*"It's always a pleasure working with Isabelle and her team: they are very professional, react very fast and think with me in order to reach our goal. I can always count on them!"*

**Carmen Vanmeerbeek**  
Training & Education Coordinator Benelux Straumann group

*"During my presidency of the Belgian Society of Periodontology we chose for GHS as our congress organizer for the first time. It was an immediate success. The team was thinking proactive with our organization and soon we hired them to organize more like the gum health day. Due to the personal contact and devotion of her team our board had time to deal with its core business."*

**Katrien Vermeylen**  
Ex-president of the SBP

*"Isabelle Bugli and her team are extremely dedicated and professional, with great organizational and diplomatic skills, and all this with the necessary charm and smiles to make your conferences and meetings amazing and positive experiences"*

**Bart Vandenberghe**  
DDS, MSc Medical Imaging, PhD Advimago, Center for Advanced Oral Imaging, Radiologist

*"I started working with Global Health Support in the very beginning of the company. The growing has been incredible over the years. Isabelle Bugli will do everything to attend the expectations and the vision of the clients in the most professional and elegant way. An innovative PCO with the determination to grow even more."*

**Bruno De Carvalho**  
BSP Scicom President.

*"Isabelle and her team have been helping us organise our events for more than 6 years now, and the success was always there, and not by chance! By managing each of their missions with a masterful hand, the GHS team provides precious advice beforehand, which also guarantees that our events are carried out in a completely serene manner. Expertise that is priceless! »*

**France Lambert**  
Head of the Periodontology Department at the University Hospital of Liege
